Belfast Valley Contractors partners with WLZL-FM for 99.1 El Zol 2008 Job Fair

Arlington, VA – November 1, 2008 – On Thursday October 30, 2008 Belfast Valley Contractors participated as a corporate sponsor for the **WLZL-FM Job Fair**. This 99.1 El Zol event was held from 2pm -7pm at Ballston Common Mall in Arlington, VA.

This job fair was described by 99.1 El Zol as an opportunity for local area businesses to “meet with hundreds of Latino employee prospects all under one roof.” The response was overwhelming! BVC accepted over 400 applications from well qualified individuals for some of our most recent job openings. A special thanks to 99.1 El Zol for such a successful day. Be sure to visit belfastvalley.com for a listing of the current job openings with Belfast Valley Contractors.

About Belfast Valley Contractors

Belfast Valley Contractors is proud to be one of the region's leading commercial concrete contractors. Headquartered in Baltimore, MD, we have completed projects in Maryland, Pennsylvania, Delaware and Virginia and we continue to expand to better serve the entire Mid-Atlantic sector.

BVC performs a wide range of commercial concrete services. From field personnel to administrative staff, our team of dedicated, knowledgeable concrete professionals will impress upon you our unfaltering commitment to quality, safety and overall customer satisfaction. We have the manpower, equipment and experience that you demand to complete your project on schedule, taking great pride in every aspect of the work which we perform.
