## A Work in Progress...

*Baltimore, MD – November 7, 2008* – As a result of their dynamic growth and expansion Belfast Valley Contractors announced today that a new corporate headquarters was purchased in 2008 and will be ready for occupancy in the spring of 2009. The new facility is located on five acres in Baltimore County, Maryland. The 20,000 square-foot building will bring together the administrative offices, maintenance shop, and warehouse space all under one roof.

Susan A. Baier-Jones, V.P. Finance said, "We are excited about this move and the expanded capabilities the new location will provide. This new facility will enable us to better serve our customers as we expand our commercial concrete construction operations throughout the mid-Atlantic region."

## About Belfast Valley Contractors

Belfast Valley Contractors is proud to be one of the region's leading commercial concrete contractors. Headquartered in Baltimore, MD, we have completed projects in Maryland, Pennsylvania, Delaware and Virginia and we continue to expand to better serve the entire Mid-Atlantic sector.

BVC performs a wide range of commercial concrete services. From field personnel to administrative staff, our team of dedicated, knowledgeable concrete professionals will impress upon you our unfaltering commitment to quality, safety and overall customer satisfaction. We have the manpower, equipment and experience that you demand to complete your project on schedule, taking great pride in every aspect of the work which we perform.
